INSTRUCTIONS TO CLAIMANT FOR PRESENTATION OF CLAIM FOR LOSS AND/OR DAMAGE

Please follow the step-by-step instructions.

INVENTORY NUMBER: If your move was Long Distance please show the number of the tag that was attached to the article when it was loaded at origin. On packed items, indicate the container number. If you moved locally within an area, you may not have an inventory number.

NAME OF ITEM: State the name of the item, "Dresser", "Refrigerator", etc.

LOSS OR DAMAGE: (a) If an article is claimed lost, the immediate reporting of it is very important. Please give a full description i.e. make, model, color, size, shape, and pattern, etc., which will be used for tracing purposes. When completing the claim form, please state where purchased, and the purchase price. If a carton is missing, identify contents of container and inventory number (tag numbers) and any identifying marks that may be unusual. (b) If an article is damaged, describe severity and location of damage, such as worn, torn, soiled, rubbed, scratched, dented, etc., explaining the exact location such as "top right front corner," "bottom left side panel," etc. Furniture, such as, sofas and chairs, are described left or right, facing the article, NOT from a sitting position. This is necessary to compare the origin inventory to determine new or pre-existing damages. On packed items, indicate whether the container was damaged and the extent of any damages. You may provide photos to support your claim. (c) If any of the damaged articles are electronics, appliances or automobiles/motorcycles, you may be asked to obtain a written repair estimate from a local repair company. Such estimates must describe the damage to the item, cause of the damage, and an itemized listing of the cost of needed repairs. Any charges for obtaining these estimates will be reimbursed to you upon presentation of a paid receipt for the estimate, if the Carrier is found to have liability for the item.

AGE OF ITEM: If date acquired is known, please enter it on the form.

ORIGINAL COST: If you have copies of original sales receipts or appraisals, please submit them with your claim form.

AMOUNT CLAIMED: Federal Law requires you to annotate the amount claimed to be considered a valid claim. Please provide amount you are claiming for the item for either repair cost or replacement of the item. Please note if the amount claimed is for repairs or for replacement of the item.

Once your claim form is received, it will be entered into our claims system. A notice will be mailed to you acknowledging receipt of the form. An adjuster will be assigned and, if they have any questions, they will contact you. If more space is needed, please photocopy form or continue on a separate sheet using the same format. If you wish a copy for your files, please photocopy and retain the photocopy for your files.

The Carrier reserves the right to inspect any of the items claimed. Inspections will be handled by the adjuster, as needed. In the meantime, do not dispose of any of the damaged articles or do not proceed with any repairs unless it has been authorized by the adjuster.

If you must have something repaired prior to the settlement of the claim, you may do so at your own risk and expense. If the Carrier is liable for the repairs or replacement, we will reimburse you at the time of the settlement. You must submit a detailed written report from the repairman describing the damages, the cause of the damages and the repairs that were made along with their repair invoice and your claim form.

No claim will be discussed by telephone. If you have any questions or concerns, please communicate them in written format via e-mail.

Please be sure to send all Claims related correspondence and documentation to claims@centralclaimsservice.com. Thank you.
